

CFRAC 2015 - the Fourth International Conference on Computational Modeling of Fracture and Failure of Materials and Structures

O. Allix¹

¹ LMT-Cachan (ENS Cachan/UPMC/CNRS/PRES UniverSud Paris)
61, avenue du Président Wilson, F-94235 Cachan Cedex, France
allix@lmt.ens-cachan.fr

The abstract should be one page (possibly two, maximum). The authors must submit their abstract directly on the CFRAC 2015 website. For that, the creation of a Sciencconf account may be necessary.

Please do not modify the layout of the document (margins, fonts,...). A few references can be included.
